19. (Unclassified - JEC) LEGISLATION Called Jeff Weinberg, OMB, to advise him that I would be sending over a paper concerning financial disclosure which I would like to have cleared prior to talking with House Judiciary Committee staffers. He thanked me and said he would keep an eye out for it.

20. (Unclassified - JEC) LEGISLATION Received a call from Hilda Schreiber, OMB, concerning financial disclosure. She asked in general terms what our problems were and after I told her she volunteered to work to get the paper cleared.

21 (Unclassified - RLB) LEGISLATION Spoke with Hilda Schreiber, OMB, and informed her that we were postponing our visit to talk with the House Judiciary Committee staff on financial disclosure legislation and that we, therefore, would not require OMB's clearance for a proposed fact sheet at this time. I told Ms. Schreiber I would get back in touch next week.

22. (Unclassified - RLB) LEGISLATION Received a call from Mr. Fielding McGee, who identified himself as working for a private public interest group, which I believe is named The Military Audit Project (a group connected with John Marx, Ralph Nader, Stuart Mott and others). Mr. McGee asked a number of detailed and pointed questions concerning whether or not we were involved with S. 305 (the Corporation Reporting and Anti-bribery Bill) and a "national security" amendment to that bill offered by Senator Adlai Stevenson (D., Ill.). I told Mr. McGee that if Senator Stevenson had introduced the amendment then he should address his query to the Senator's office. At the same time, I noted that this bill, like numerous other bills, were and are of interest to this office.

23. (Unclassified - RLB) LIAISON Spoke with Mr. Rick Asplund, Senator John Culver's (D., Iowa) Legislative Assistant, who said the Senator was interested in GAO's interest in obtaining information from the Director on the so called AWACS assurances. Mr. Asplund said the Senator was very interested in having GAO obtain the appropriate information on this matter.
